

## ENVIRONMENT, HEALTH & SAFETY POLICY

We at Quality International are engaged in Design, Manufacturing, and supply of Process Equipments & Systems.

We shall strive to demonstrate the leadership for continual improvements in EOHS management system & performance.

This shall be achieved through Commitment to -

- a. Prevention of pollution, injury and ill health.
- b. Compliance with applicable legal & other requirements to which organization subscribes related to EOHS aspects & hazards.
- c. Provide frame work for setting & reviewing objectives, targets & programs.
- d. Communicate to all persons working under control of organization with the intent that they are made aware & encouraged to share responsibility to improve individual EOHS performance.

This policy shall be made available to interested parties and to public.

This policy shall be reviewed periodically to ensure that it remains relevant and appropriate to the organization.
